Congratulations on having your manuscript published in *Waterbirds*, the journal of the Waterbird Society. To help defray the costs of publishing our journal, we ask authors who are members of the Waterbird Society to pay page charges of \$90.00 U.S. per page. The non-member rate is \$100.00 per page. Join now and pay at the lower rate! Although publication in *Waterbirds* is not dependent upon the ability to pay page charges, authors are encouraged to pay all or some fraction of the amount billed. Even a contribution of \$50.00 - \$100.00 towards your page charge invoice would be greatly appreciated. If authors are unable to arrange for full or partial payment, however, they need only to advise the Treasurer of the need to waive the charges.

Please send the amount listed on the enclosed invoice, or some fraction, to
